WHO HE IS

Inside the professional game before he could vote. *Over by twenty-one.*

Tell us your dates and audience

City, country, who is in the room and roughly when.

02

We plan the trip

Visits run five speaking days or fewer, and nearby hosts can share one visit.

ON STAGE · INSPIRE BEYOND

In conversation with *Jamie Carragher.*

Liverpool and England, 737 games, now the voice of Sky Sports. Jamie and Luke were at the FA National School at Lilleshall together in 1994. On the Inspire Beyond stage they picked the conversation back up: the first hard year at every level, late developers, and why nobody can call who will make it at fourteen.
