LUKE STATON

WORLD TOUR 2027 · UK & IRELAND

A generation *that believes.*

A year of resilience training for schools,
led by someone who had to learn it.

England, Scotland, Wales and Ireland.
Throughout 2027.

01 THE CREDO WORLD TOUR · 2027 · UK & IRELAND

The UK and Ireland in 2027, *school by school.*

The CREDO World Tour runs across England, Scotland, Wales and Ireland throughout 2027, with dates set around each founding school. Luke spends a full day in each school, and every school then runs the Credo Year for twelve months. This pack sets out how a school can join as a founding school.

02 WHO LUKE IS, AND THE CREDO YEAR

A year of resilience training for every student, *led by someone who had to learn it.*

Luke Staton's first career was over at twenty-one: England youth international, Blackburn Rovers, then the plan changed. What he built next became CREDO: a book, a twelve-month school programme and a world tour across five continents in 2027.

GLOBAL EDUCATION CHAIR

Ian Smith FRSA

Principal of Brooke House College and Chair of CIFE. Ian and Luke have already delivered CREDO together at Brooke House.

THE NEED

Every student has a plan taken away at some point. Schools need a shared, practical language for what happens next.

THE ANSWER

The Credo Year: one empowerment day, twelve months of guided modules, and five pillars: Character, Resilience, Energy, Drive, Optimism.

THE MODEL

Young people by day, companies by night. Schools through the week, then a founders evening for local companies.

03 CREDO, AND WHAT PEOPLE SAY

Credo is Latin for *"I believe".*

Five pillars run through everything Luke does, in a school hall and in a boardroom. Every student writes their own Credo.

C **Character.** Who you are when nobody is watching.

R **Resilience.** What you do when the plan changes.

E **Energy.** How you bring yourself into every room.

D **Drive.** The reason you keep going.

O **Optimism.** Belief in what is still possible.
